A CURIOUS CASE.

FOR VICE PRESIDENT, F. P. BLAIR, JR. OF MISSOURI

FOR THE STATE AT LARGE. I., FRANK WOLFORM, of Cases, N. JESSE D. BRIGHT, of Carroll.

Sunday & Monday, -- August 9 & 10. The Tridnum.

mal service lasting three days. like character, but seldom ends under eight reat," which is often confounded with e "Mission," is properly a retirement from all oridiy occupation, into solitude, where those ged in making it spend their time in most countries, and the custom is becoming the East, to be juid for and concurred in King t a year pass without making a "retreat" | Paris, to Lexiston, "to Lou ville and the monastery, such as that of the Trappist at that it shall be stopped, and handled,

semane, Ky, the Dominicans at St. Rose, drayed, and reshipped at Cincinnati, and the near Springfield, Kentucky, or the the Kentucky consumer shall be sadded with Jesuita at Florissant, Missouri, and this additional tax for you other places—where every facility is sillered. Shall the lacf cuttle the who ky, the below them to attend the offices of the church, to amonts, and to be instructed | Kentucky sould to the Fig. it at 1 on from heir state of life. Personal Isolation and ab | Eastern markets without change of or a solute silence are held to be prerequilible to Chelmustis Leader to says they shall. Less the proper performance of the exercises of a lugton says that the alice t, tobacco, and other at callence are held to be presented in a proper performance of the exercises of a circat." The value which Catholic author is place upon this castom is very great, but had clearly of the place upon this castom is very great, but had clearly of the place upon the castom is very great. What view the Councilians who have not on an contact with the world and the business are contact with the world and the business. They hold that, with the great majority of of drayage and change of our all that point.

What view the Councillation who assume to re necessary to all men in order that they have noked, but received no answer. It erould be able to appreciate properly the end tainly is not to promote the interests of the which they were made and the immdequacy producers and con umers of Fay tiv. The those things that are most valued by the goods which the merchants of Lexington soli

world to serve them in accuring that end.

The "Triduum," as well as the "Mission," a especially designed for those whose occupaadditional tax on those goods. Every farmer they go; wh ons prevent them from making a "retreat" in Forctic know that his beef cattle, and his the ordinary form. Such a service will be wheat, and the which which is discommenced this evening in the church of St. John, corner of Clay and Walnut streets, whileh in onducted by the Rev. Father Vernin, that to break built at the latter place is to obormerly President of the St. Louis University, attact and tax the intercourse between him and also of St. Joseph College, Bardstown and the consumers of his produce. What does make the consumers of his produce. The reverend preacher is regarded by those the raise that is shipped to the South by raise who know him as possessing great talents, and, doubtless, his services in the large consent by that mod of conveyance to gregation of St. John, will be effective of and very little of what he communes reaches uch good. We anderstand that the hours of him in that way. The cost of breaking hulk vice will be 9 o'clock in the morning and at Louisville would be a unre-drop in the people of Fayette to break bulk at Clack nati

Rest and comfort, are the ostensible objects for which thousands of city folks flock to the caves, springs, sea side and mountain tops. But rest and comfort are getting to be more rare at all Kentucky to brank bulk at Cincinnati? So such places than in the dull routine of every far as the people of those countles are con-

hange. Its victims who were wearied and will have to break bulk at one or the other out by a continuous round of dissipacorn out by a continuous round of dissipa-tion in fachionable winter life in the cities, seek. of the springs, or on the breezy shores of the ocean. A tashionable lady may not discard the burdeas of Fashion with the heated air of the cities, nor can she employ with the slade and coul breezes the core of cars, and and the could be considered to the counterful to the counterfu and enol breezes the nest and comfortable take with her, in her expedition after health and recreation, Saratoga trunks enough to contain three or four dresses for each day she the gauge of all the ro do in the State at ends staying, with sets of jewelry and other full. This, too, when the Baltimore and titles doruments to match. Her pleasure at the e road has just undertaken to resorts consists in a constant mund Samly road at the 4 foot 81 Just gauge of

of dressing for meals and for the evening hops.

In fact our fashionable places of summer resort are nothing but mere bazaars for the cylin littlen of fine dresses, diamonds and the various articles of of wampum that go to mak up a modern lady. With all their dazsling the ladue evening a lady. With all their dazsling the ladue evening a lady. cauty the ladies excite our pity almost at horsters of the St. t. and paper a tax to much as they do our admiration. To see them talls the drawmen and inter-middle measocribbed, confined and bundled up in silk . cite for the in other State. to see their cers transfixed with such massly pewelry, to see their head so weighed down with gold balls and band, is enough to excite the commiscration, if not the cupility, of a uniformit of gause it will be more probable.

"Mrs. A., is a charming woman, don't you lin Tennessee, and, con derive the computation and solve the computation of the State will be small rather of the State will "O, yes," replies Miss B., "that the South, they could task that much

shawi is worth a thousand doitars." "Miss C., converses extremely well. She f of Wa publish a commo seeses both wit and wisdom " oscesses both wit and wisdom."

We sincerely hope that the next movement the favor of "woman's rights" will attempt a crease in the Badle I vite in Kentucky, is endical reform in dress, and make an effort to pe itly mum. relieve women from the grievous burd in posed upon her by Fashion,

The Wrong Man A Case of Mistaken Identity A Wimmi I better a Boy of 19 as the Flusbrind.

From the Inventori (for at besteera, July 20) A singular instance of mistaken identity of curred under Join Idelinson's circum topi to the list city on Saturday Inct, alteredy a young man, berdy 19 year of age, was chained by a woman as for his band of for years' standing. We regret to find that he one respect our n tive of the ceremonies at the Cathedral on the ains of the late Dr. Spulding war roncous. The sermon was preached by 11r Lypch, Bishon of Charleston, South Carollus, and not by the Very Rev. J. M. Lancaster, of the Diocese of Covington Dr. Lynch only reached the city in time to assist in the a renotice, and the arrangement that had been reviously agreed upon, by while a Father Lan-aster was to preach, was, at that gentleman's own instance, changed but a few minutes he fore Dr. Lynch entered the pulpit. Our report r not being advised of the change, supposed It was Father Laucaster whose words he was taking down as they were delivered. The report of the seriuon, as made by our phone who were present, is remarkably exact.

Dr. Lynch is regarded as one of the first in-tellects among the hierarchy of his church in merica. He was a fellow student with Dr. me, and happening to be in the lunati when the news of the death of his friend reached that city, he at once determined to be sent at his funeral. The excellent printe led had n t rend ooks as if he had borne with Caristian farts ude the complicated troubles brought man imself and his entire diocese by our lata "lit stness." He looks little worse than he did when a lying Northern editor de clared in his columns that 'Dr. Lynch till reaches Popery and accession in his Catheral of 8t, Finhar.14 This once stately cathe dral, which, by the by, was built by a Ken sekian and a former citizen of Louisville, the slackened rule. We trust that the time is slackened rule. We trust that the time is frush busband we let the first coming when sounds of praise and pray refer to der. The result lauce to der.
